Work Experience

2021 - present
Eindhoven, Netherlands
Game Designer
ChimpWorks

Responsible for all aspects of game design, including gameplay, level design, user experience (UX), systems, economy and monetization design. Experience ranges from working individually in small teams as the sole game designer to collaborating in large teams with multiple game designers following the vision of our Creative Director.

Experience in all phases of production, from ideation and prototyping through soft launch and global launch to live operations - improving key performance indicators (KPIs) such as engagement, retention, and monetization based on player data.

Notable titles:
• Rider Worlds, 10M+ downloads
• Rider, 150M+ downloads

2023 - present
Eindhoven, Netherlands
Scrum Master (part-time)
ChimpWorks

Responsible for supporting two development teams, scheduling and facilitating scrum events & meetings.

Monitoring progress and performance, assisting teams in making process improvements, maintaining a healthy production board, and aiding the Product Owner in maintaining a healthy product backlog.

2020
Turin, Italy
Marketing, communications and graphics
